

# REDPOINT DATA MANAGEMENT TRAINING

## LIVE INSTRUCTOR LED TRAINING

The Redpoint Data Management (RPDM) Training Class is a two-day course that will cover the basic components of the product enabling a new user to understand and navigate in the environment. As this is an open course, we will focus on learning the concepts using the V-Lab Training Environment with generic retail data. Additional topics will be covered as time allows.

### Next Training:

- Remote Training via Zoom
- Training dates: from 11:00 a.m. – 4:00 p.m. ET
  - January 24 – 25, 2023
  - April 11 - 12, 2023
  - July 25 – 26, 2023
  - October 3 – 4, 2023
- Completion of OnDemand Redpoint Data Management Basics Workshop is a pre-requisite to attending the live class
- Included with Training Class:
  - Access to OnDemand content for Redpoint Data Management until a week after class
  - Access to a virtual environment to practice the concepts of the product
- Please test firewalls prior to class start to make sure that a Zoom Meeting will be able to be reached through your computer

**PRICE PER SEAT:** \$1000/student

Class Max = 10 students

Contact Bonnie Bradford at [Training@RedpointGlobal.com](mailto:Training@RedpointGlobal.com) to register for the class.
